This meeting was an extra meeting scheduled to draft the Order of Conditions for the Friends of Leverett Pond upon the conclusion of the hearing at the last meeting.

Joan shared her screen with the draft orders that had been discussed at the last meeting. Order #2 was changed to reflect that the orders will be valid for 5 years.

Jono left the meeting stating that he felt he should since he voted against the NOI in the first place. He also stated that he thought the FLP should come to the ConCom with a plan annually.

There was a discussion about the importance of third-party monitoring.

Every item in the OOC was reviewed and some were modified (see final OOC attached).

**Motion (David, seconded by Joan): To approve the OOC as written. Robison, opposed; Deely, Tiner, Berrigan, Powicki, in favor. Carries.**

The minutes of January 10 were approved as amended.

Lisa will schedule interviews for the ConCom Agent for the week on Feb. 14 if possible and let the Commission know dates.

Joan let the members know that the MACC meeting begins (remotely) on March 1.

Lisa will put ConCom openings (2 at this point) in the Newsletter.

Meeting adjourned: 9:20
