

TOWN OF LEVERETT

COMMUNITY CHOICE POWER SUPPLY PROGRAM

SOCIAL MEDIA ANNOUNCEMENT

The Town of Leverett is pleased to announce that **First Point Power, LLC** (“First Point”) has been selected as the supplier for its Community Choice Power Supply Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. Eversource will continue to deliver your electricity but Leverett has chosen the supplier for the Program. First Point will provide electric power supply for all consumers currently on Basic Service in Leverett.

Check your mailbox for an envelope with the Town Seal on it. It contains information about the Program including a Consumer Notification Letter and Opt-Out Reply Card.

BASIC SERVICE CONSUMERS do not need to take any action to participate. You will be AUTOMATICALLY enrolled. The aggregation rate is fixed at \$0.10330 per kWh for all rate classes for 9 months (March 2019 to December 2019). This Program supports renewable energy as 100% of the power supply is offset with National Wind Renewable Energy Certificates (RECs).
